## Preparatory: Pre Grade 1

Class Number	Time Limit	Fee
2100A	5 mins	38.00

In **Preparatory Class: Pre Grade 1**, performers will play a maximum of **three** selections. The pieces chosen may represent *any combination* from List A or List B or Etudes listed in any recognized syllabus available in the province or, from any beginner level (pre grade 1) repertoire book. It is not necessary to choose selections from different Lists. i.e. a performer may play 1, 2 or 3 selections, all from List B. For pieces not found in any standard syllabus, the degree of difficulty is solely at the discretion of the teacher.

Performers will be critiqued on all pieces played and given ONE overall performance mark and will be awarded ONE certificate.

### To be eligible for a trophy and a bursary

To be eligible for a trophy and a bursary, a student must enter and play a minimum of **Three (3)** compositions. All compositions performed will be given a mark and the **top two marks** will be averaged producing the final score. In the event of a tie, the third composition will be considered (to determine the final score). If the mark of the third composition does not break the tie, the result will remain a tie. Other marks will not be considered.

### \* Sonatas and Other Extended Works

Players must stay within the allotted time for their performance. If a student chooses a multi-movement work that will exceed the time permitted, they may eliminate certain complete sections (e.g. the Sarabande or the Minuet or other) to remain within the allowable time.

In the event that there is a 1st & 2nd movement or 2nd & 3rd movement requirement as for exams, the player may choose to play only one of the movements (to stay within the time permitted).

Some works, i.e. Sonatas and/or Concertos are to be played in their “complete” form for examinations, however, to stay within the allotted time the student may choose which sections or movements to use for the competition. Playing partial sections or partial movements is not permitted.
